v.	§

AERRON PHILLIP DOWDY	§	

**MEMORANDUM ADOPTING REPORT AND
RECOMMENDATION OF THE UNITED STATES MAGISTRATE JUDGE**

Came on for consideration the above-referenced criminal action, this court having heretofore referred the request for modification of Defendant's supervised release to the United States Magistrate Judge for proper consideration. The court has received the report of the United States Magistrate Judge pursuant to its order. Defendant having waived allocution before this court as well as his right to object to the report of the Magistrate Judge, the court is of the opinion that the findings and conclusions of the Magistrate Judge are correct.

It is, therefore, **ORDERED** that the Magistrate Judge's Report is **ADOPTED** as the opinion of the court. It is further **ORDERED** that Defendant's supervised release is hereby **REVOKED**. It is further **ORDERED** that Defendant be committed to the custody of the Bureau of Prisons to be imprisoned for a term of twenty four (24) months, to be served concurrently with any other sentence being served, with thirty six (36) months of supervised release to follow.

Upon release from imprisonment, within 72 hours of release from the custody of the Bureau of Prisons, Defendant shall report in person to the probation office in the district to which Defendant is released.

While on supervised release, Defendant shall not commit another federal, state, or local crime, and shall comply with the standard conditions that have been adopted by the Court, and shall comply with the following additional conditions:

Defendant shall participate in a program of testing and treatment for drug abuse, under the guidance and direction of the U.S. Probation Office, until such time as Defendant is released from the program by the probation officer.

Defendant shall be required to submit to a drug test within 15 days of release on supervised release and at least two periodic drug tests thereafter, as directed by the probation officer.

IT IS SO ORDERED.
